Ambassador Rizal Sukma**

Presentations were made by IMSO Director General and Mr John Dodd, Director Safety Services Maritime of Inmarsat and the distinguished guests had a wide-ranging discussion on reinforcing the existing bilateral working relationship on issues of mutual interest and concerns and on the status of acceptance of the various IMSO legal instruments.

The Indonesian delegation also visited the Inmarsat Satellite Network Operation Centre

Both the Indonesian Ambassador and IMSO Director General were looking forward to work very closely and were very enthusiastic about the continued cooperation between Indonesia and IMSO and discussion were held to promote such cooperation. The Ambassador was impressed by the perspective of IMSO in serving matters of maritime safety and congratulated the Director General for his efforts.
