EXECUTION OF LRIT SERVICES AGREEMENT

The IMSO Director General is pleased to announce that an LRIT Services Agreement has been executed on 3 September 2014, with Vietnam Maritime Communications and Electronics Single Member Limited Liability Company (VISHIPEL) as the operator of the National LRIT Data Centre of Vietnam.

LRIT Services Agreements and/or contractual arrangements have been executed with the International LRIT Data Exchange (IDE) and all DCs currently operating in the LRIT system.

Further LRIT Services Agreements, as a consequence of developments concerning the new and existing components of the LRIT system, are in negotiation, and will be signed in due course.
